

2011-2012 READING ROYALS REFERRAL REWARDS PROGRAM

Know someone Who May Want to Buy A Royals Ticket Plan For The 2011-2012 Season?

If so, just use this form to let us know! If that person purchases any ticket plan (full season or TOTALchoice Flex Plan), you will earn \$1 for each ticket they purchase. For example, if you refer someone that purchases two paid full season plans, you will earn \$72! The more people you refer, the more you can earn!

The "rules" are simple:

You must have renewed the same (or an expanded) ticket plan held during the 2010-2011 season. If you have relocated your seat but kept the same (or expanded) your plan, you are also eligible.

The person/people that you refer must purchase a plan (minimum of four games) for the 2011-2012 season.

The person/people that you refer must be paid-in-full for their plan before you are eligible to receive your **Referral Rewards**.

Referral Rewards will be paid out during the month of November 2011, unless plan is not paid in full.

In order to be eligible for **Referral Rewards**, the person/people that you refer may not have held a Royals ticket plan during the 2009-2010 or 2010-2011 seasons.

Use the form below to start earning your **Referral Rewards** today!
