

'Tis the Season of Giving...

Care to spread a little Holiday cheer to those less fortunate?

Based on your overwhelming generosity last season, the Royals are once again offering our fans and partners the chance to "give back" a little bit by participating in our "Season of Giving" Program. The program is designed to bring a little Royals holiday cheer to those less fortunate in the Reading community by treating them to a Royals game during the Holiday season!

Thanks to your support the last two seasons, the "Season of Giving" Program distributed over 1,000 tickets to Reading area charitable organizations during the Holiday season!

The program is simple. Use the order form below to purchase specially-discounted tickets for the charitable organization of your choice to any home game between December 3rd and January 31st. The Royals will match your donation, adding one additional ticket for each ticket purchased! In addition, individuals or companies donating a minimum of ten tickets will receive two (2) complimentary tickets to sit with your designated charitable organization, recognition on the video board each game during the month of December, and a letter from the Royals acknowledging your contribution.

To help spread the holiday cheer, complete the order form below and return it to the Royals via fax (610/898-4625), mail (645 Penn Street, 3rd Floor, Reading PA 19601), in person at the Royals Offices or at the Customer Service Desk on any game night. For additional information, please call (610) 898-7825.
